## Alumni Network Information Management System (ANIMS)

### Stay Connected on Single Click (Alumni & Alma-Mater)

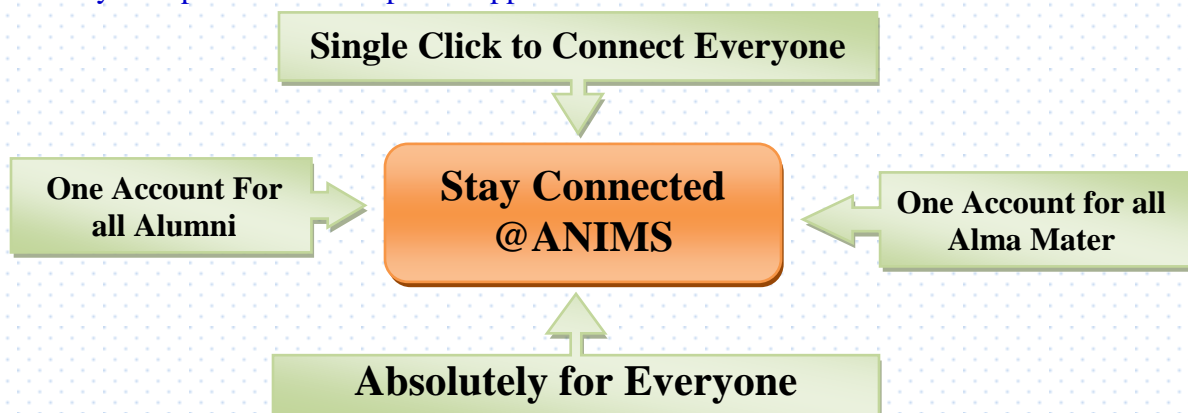

ANIMS is a web-application to create a never lasting bonding between Alumni and Institute/Alma mater. A strong alumni network is not only the best way of building personal and professional relationships but also a secret source to boost energy. We provide a common platform for the alma mater as well as alumni of the institutes to reach out to other alumni of various years, batches, branches and interests. It is a web-based service, so nothing is to be installed and no servers are required.

#### Key Benefits for Alma Mater (Institute/School/University/Coaching/Company)
